- Steep slopes, snow and ice fields are very dangerous. You may encounter various hazards such as cliffs, glaciers, crevasses, rock falls, avalanches and unstable surfaces.
- Hiking down from both lodges on roads, mountain bike trails or other routes is not permitted. Downloading on Big Red Express, Creekside Gondola or the Whistler Village Gondola is mandatory.
- Due to the sensitivity of the alpine environment, trail accessibility may be limited by snow pack and weather conditions. Please contact Guest Services for more information about which trails are open.
- Observe all closures. Stay on marked trails to avoid damage to the fragile alpine ecosystem.
- Treat all wildlife with caution. Do not feed or approach bears.
