FITZSIMMONS EXPRESS CLOSED FOR 2023 SEASON, ALL BIKES UPLOAD VIA WHISTLER VILLAGE GONDOLA.

FREE-RIDE
• Technical trails are designed to reduce the impact of the mountain bike and rider. Routes are typically hardwood and feature organic obstacles and stunts. Technical trails are marked with a green square symbol. Groms (ages 7-11) are able to ride Technical trails if they are accompanied by an adult. Safety tips: Trails are excellent for riders of varying ability levels. Take it slow at first, and work towards increasing your speed and comfort level. Keep a safe distance from other riders on the trail. Always follow the rules of the road. Ride in control and within your ability level. Be aware of your surroundings. Keep your eyes on the trail and ahead of you. Stay alert for other riders and obstacles. Use hand signals to communicate your intentions. Take breaks when needed. Make sure your bike is in good condition. Wear appropriate safety gear. Stay hydrated and fueled. Take a break if you need one. Respect other riders and the environment.

MOUNTAIN BIKER'S RESPONSIBILITY CODE
BE AWARE, RIDE WITH CARE

9. When you enter or leave the trail, look for and yield to other riders. If you cannot yield, stop until you can.
10. Cooperate if you are stopped by a rider. Move off the trail or onto the shoulder and let the rider pass.

BE AWARE, RIDE WITH CARE

Mountain biking involves the risk of serious injury or death. Knowledge and caution can reduce the risk. For your safety and the safety of others, please adhere to the code.

Be aware of your surroundings. Keep your eyes on the trail and ahead of you. Stay alert for other riders and obstacles. Use hand signals to communicate your intentions. Take breaks when needed. Respect other riders and the environment.
