UNDERSTANDING BIKE PARK SIGNAGE

To help you in your progression, a system of blue and red trail markers has been added to the map at the end of each trail. Trails with an orange square on the trail are considered advanced trails. Trails with a blue square are considered intermediate trails. Trails with a red square are considered beginner trails. This system allows you to change trails or sections based on your progress and skill level.

NEW RIDERS

• Designed for first time Bike Park riders.
• Free orientation sessions to learn bike handling skills and how to navigate trails.
• Practice linking jumps, rides and features.
• Progress on technical features.
