LEARNING ZONES

Whistler Blackcomb has ideal learning terrain. No matter what lift you take up, there's an easy route down.

- Olympic Learning Area (Whistler Mountain)** Midway up the Whistler Village Gondola. Slow-skiing Beginners' Zone, easy-loading Olympic Chair and Magic Carpets.
- Magic Chair Area (Blackcomb Mountain)** Easy-loading triple chair and Magic Carpets, both next to the handy Rentals and Daylodge Services at the base of Blackcomb Mountain.

What's Next?

Once you've got your legs under you, here are just a few ways to explore a bit more of our two mountains.

- Slow Zones** See yellow highlighted areas on map where the areas are monitored for your safety.
- Emerald Zone, Whistler Mountain:** A stunning playground of easy and intermediate runs, the Emerald Zone is perfect for all skill levels. Accessed from the top of the Whistler Village Gondola and Emerald 6 Express, this area offers wide-open trails with beautiful alpine views. We recommend starting on **Whiskey Jack** or cruising down **Ego Bowl**—perfect for warm-up runs and building confidence.
- Catskiner Zone, Blackcomb Mountain:** Discover Blackcomb's friendliest terrain where gentle runs. Accessible from the Blackcomb Gondola and Catskiner Express, this zone is ideal for beginners and those looking for relaxed cruising. Begin your journey on **Easy Out**, then transition to **Over Easy** for an enjoyable ride down.

FAMILIES

Outdoor playlands : The Magic Castle on Blackcomb and the Tree Fort on Whistler are must-visit spots for families with young adventurers. Kick off your skis or boards and explore these outdoor playlands—both completely free and packed with fun!

- The Magic Castle, nestled in Blackcomb's Children's Adventure Park, is easily accessible via Easy Out and Over Easy , in the Catskiner zone
- The Tree Fort is perched on Whistler Mountain, just off the Bear Cub trail near the Big Red Express chairlift.

Enchanted Forest Adventure Trail winds through Whistler's old-growth forest in the Emerald Zone. This fun, curvy trail lets young adventurers explore towering trees and hidden paths. With gentle turns and a hint of mystery, it's the perfect spot for kids and families to enjoy Whistler's natural magic!

Sea to Sky Railway Adventure Trail on Blackcomb Mountain is a delightful, railway-themed trail designed for kids and families. This fun route mirrors the twists and turns of a classic train journey, with smooth descents and charming railway artifacts adding to the adventure. Ideal for young skiers and riders,

Animal Adventure Trail at the base of Blackcomb Mountain offers a family-friendly experience with interactive elements and interpretive panels. As you ski or ride, you'll discover fascinating facts about the local wildlife. With its gentle slopes and playful design, it's an ideal trail for kids and families to enjoy a fun and educational adventure together.

SAFETY

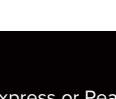

Know It, Respect It, Ride It.

- ▶ If you see an accident on the hill that requires first aid: make a cross with skis or lay a snowboard above the site. Report the location and type of injury to the nearest ski area employee.
- ▶ Whistler Blackcomb recommends **helmet usage** for skiing or riding.
- ▶ Watch for changing conditions—natural or man-made.
- ▶ Vehicles may be encountered on Whistler Blackcomb Mountains. Please slow down and give them a wide berth.
- ▶ Irresponsible, reckless, or discourteous skiing and riding on any part of the mountain may result in loss of lift access privileges.
- ▶ **Caution** snow immersion suffocation from deep snow or tree wells can be fatal. Always ride with a partner. Visit deepsnowsafety.org
- ▶ Difficulty ratings are relative to each ski area. Skiers and riders should work their way up starting with the easiest run, regardless of their ability level.
- ▶ Signage and fencing are used to inform you of the presence of a potential obstacle or hazard. Be aware that some hazards are not marked, use caution at all times.

TERRAIN PARKS

Pre-ride, Re-ride, Freeride.

Prior to using Freestyle Terrain, you are responsible for familiarizing yourself with park features and etiquette. Obey all instructions, warnings and signs. Freestyle skills require maintaining control on the ground and in the air. Use of Freestyle Terrain exposes you to the risk of serious injury or death. Inverted aerials are not recommended. You assume the risk.

Whistler Adaptive Ski and Snowboard Program

Our trained and certified instructors and assistants help those with both physical and cognitive disabilities access and enjoy the slopes of Whistler Blackcomb.

BACKCOUNTRY AND BC PARKS

Garibaldi Provincial Park

The area beyond the ski area boundary is neither controlled nor patrolled by the ski patrol. Some ski areas permit skiers and snowboarders to travel beyond the ski area boundary into the backcountry. Backcountry travel can be very hazardous and requires specialized equipment, training and experience. Do not travel into the backcountry if you are not qualified to do so.

For guests looking to explore the backcountry accessible from Whistler Blackcomb there are a number of resources available to boost your safety knowledge and awareness.
