

## DUSTY'S DITCHES THE STRAW

As part of Whistler Blackcomb's goal of achieving a zero operating footprint, Dusty's no longer offers plastic straws with our drinks. This will result in a reduction of 98,000 straws or 20km (12 miles) worth of plastic waste per season. If you must use a straw, please ask your server for a compostable one. Thank you for your support in creating a greener Whistler.
