RENDEZVOUS LODGE

The Blackcomb Gondola is the fastest way up the mountain. For more information on Rendezvous Lodge, please review on the World Summit.

Hiking Safety

- Hiking outside the area boundary is not recommended unless you have experience and are well equipped. Weather conditions can be quickly changing.
- Please stay on marked trails and do not venture off-trail or into areas that are not maintained.
- Please do not feed or approach bears. Treated with caution.
- Do not feed, approach, or interact with wildlife.
- Be aware of vehicle traffic.

Get the most out of your experience: Make the most of the views and wildlife encounters by being prepared. Visit whistlerblackcomb.com for more information on how to have an incredible hiking experience.

ENJOY THE FRESH AIR

Whether Blackcomb is proud to be smoke-free. Enjoy the fresh air.

WHISTLER BLACKCOMB MOUNTAIN

EMERGENCY NUMBER: 604.935.5555
Ele to Base 2 of Blackcomb as a mellow start to the adventure. The first portion of the Ascent Trails meanders between ski runs up to the Blackcomb Gondola midstation. From here, ticket options allow you to transfer to our lift system for upload or download back to the base using our lift system. There is no downhill section to the Ascent Trails and treats you to spectacular views close to the summit.

If your legs are able to continue, the last section of trail ascends to the Blackcomb Peak, Ele to Heart Burn, and Little Burn (We recommend our guests use this trail to access the Lakeside Loop for intermediate hikers and Decker Loop for advanced to expert hikers.)

This gondola ride takes you to a rich area of alpine wildflowers with Blackcomb Lake nestled below the peak of Blackcomb. This trail involves fixed ladders. Finish by descending back to the Blackcomb Peak.

This second section of the Ascent Trails climbs to the top of the Blackcomb Glacier and the Decker Tarn. This gondola ride is used as the trailhead to the Blackcomb Glacier Loop. This trail is recommended for uphill hiking, this trail takes you from below the peak of Blackcomb to the high alpine. Accessed by Overlord Trail with return loop on southside Green Road.

Consistent inclines and declines over trails with stable footing. Requires a high time commitment and effort, hiking footwear and provisions. Shorter distance requiring less time to complete.
